## CITY MANAGING EXECUTIVES

**Are you an exceptional leader with a passion for women?**

Do you consider yourself a supporter for women elevation? Passionate about Gender Equality and advancing women on a global scale? Are you well connected within your circle of influence? Are you ambitious with a global mindset? Do you talk and lead by example? Would you like to lead passionate women into their empowerment and self-discovery? Then, this might be for you!!!

We are bringing together a group of leaders committed to moving the mantle of leadership to advance women personally, professionally and in their business ventures. We are seeking women who “elevateHER” to be our team of City Managing Executives – help grow our network in your city, and country, introduce us to key stakeholders and strategic partnerships, make connections, establish a presence in your area, be a champion for women-owned and women-led, and attract the right and perfect movers and shakers to play a significant impact nationally and globally!.

This volunteer role will be an essential role to our growing organization. You are going to be the Lead within your city and expected to lead a group of Campus Ambassadors in your City. You are the face of our brand “Sedulous Women” and an industry leader in your area. You will be the voice of your community to make impact and ensuring that our organization is bringing the right and appropriate resources and tools your peers need to be successful in their career, professional and business ventures.

### Benefits

- Leverage your leadership with a “City Managing Executive” Title;
- Special discount City Executive Membership fee and Conference fee;
- Special discounts on all Masterclasses;
- Mentions and Recognitions on all our platforms;
- Opportunity to mentor our Annual femImmIGRANTS applicants;
- Personal development programs for Campus Ambassadors, City Executives and Provincial Directors.

### Key Responsibilities

- Minimum 2-year commitment to work alongside the Province Director;
- Bi-monthly video conference calls (1.5Hours) with other National Ambassadors, City Managing Executives, Provincial Directors and Founder – In a year, 9Hours commitment for the meeting (6 x 1.5Hrs);
- Help to identify opportunities to grow Sedulous Women Leaders and to connect like-minded women to the network;

- Connect us with key stakeholders within the community that aligns with our values that can partner, sponsor or collaborate with us;
- Effectively use social media channels to amplify our mission, goals and message to your network;
- Work along with Provincial Director to organize events on a local level (Virtual for now but in-person if applicable);
- Opportunity to speak at any of our key events e.g Conference, Quarterly Learn and Mingle etc (Welcome note, Moderator etc)
- Support Conference admission and registration – 2 months conference campaign commitment at your own terms using your own means of recruitment;
- Contribute to our Blog page by writing articles that aligns with our values (based on your expertise - optional);
- Work to identify women that can apply for our Annual femImmigrants;
- Attend the quarterly Sedulous learn and mingle – March, June and December (2Hours commitment each)
- Attend the Annual 2days conference in September (2days commitment).

We want to understand why you would be the ideal City Executive. We are looking to work with key leaders who are leading on purpose and passion when it comes to women empowerment, elevation and growth.

Applications will be open until all spots are filled. Chosen applicants will be interviewed via video conference by the Founder and/or Province Director.
